Are you wanting a nostalgic looking wood boat but with modern technology? If so this just might be the boat for you. Built in 2008 based off of the StarChaser/Gentleman Racer design with long nose this 32' deluxe is powered by an IImor V10 producing 625hp giving it a nice rumble when cruising around. The open cockpit allows for great entertaining or cruising to dinner. There is a small cuddy as well with bench seat to the port side, additional options include stereo, bow thruster, heater, garmin gps, designated bumper/rope storage, aft tow point, swim platform, cover, tandem trailer and more. Contact us today for more information on this StanCraft Deluxe 32. Asking \$249,900.00 or best offer.
