listing Description

Experience premium luxury and exhilarating performance with this 2027 Godfrey Monaco 235 SFLC Tritoon, powered by a Mercury 300HP FourStroke Outboard. Designed for boaters who want the ultimate combination of comfort, style, and high-performance capability, this Monaco delivers an exceptional ride whether you're entertaining guests, cruising the lake, or enjoying a day of watersports.

The highly desirable SFLC (Single Flip Lounge w/Co-Captains Chair) floorplan creates the perfect social environment with expansive seating, premium amenities, and a rear lounge area designed for relaxing at anchor, watching the kids swim, or enjoying waterfront sunsets. Built on Godfrey's performance-focused triple-toon platform, this Monaco provides outstanding stability, confident handling, and impressive acceleration.

Why Choose the Monaco 235 SFLC?

The Monaco series represents the pinnacle of Godfrey craftsmanship, offering upscale styling, premium materials, and performance-focused engineering. The 235 SFLC is one of the most sought-after layouts in the lineup thanks to its versatile stern-facing lounge configuration and spacious entertaining areas. With the power of the **Mercury 300HP**, this tritoon delivers thrilling acceleration, effortless cruising, and the ability to comfortably pull skiers, wakeboarders, and tubes while maintaining the comfort and luxury expected from a flagship pontoon. Whether you're hosting friends at the sandbar, taking the family tubing, or enjoying a weekend cruise, this Godfrey Monaco offers a first-class boating experience.
